EXPERIENCE

FIVERR, [FIVERR.COM](#) – FREELANCE WRITER

MAY 2016 - PRESENT

Fiverr is a website that allows creatives to take commissions for their services. I
write character backstories, create story plots, format game design and story
bibles, as well as I review scripts and write character dialogue.

I maintain a 4.5-star review average.

CAMBRIAN COLLEGE – PEER/STUDENT TUTOR

MAY 2023 – APRIL 2024

During my time tutoring, I aided students by explaining Game Theory and
Phycology in a way that was easy to understand, as well as I walked the
students through the starting steps on how to use Blender.

MENCHERE ENTERTAINMENT – SCRIPT EDITOR

FEBRUARY 2021 – MAY 2021

During my time with this indie studio, I reviewed, edited, and offered structural
story suggestions to the scripts for episodes six to eleven of [Unsound Mind](#)
season one. I am listed in the credits for episodes six to nine but am not credited
for episodes ten and eleven.

I also reviewed video footage of the first three episodes and provided feedback
that was later used to create the remastered episodes.

EDUCATION

CAMBRIAN COLLEGE – GAME DESIGN

SEPTEMBER 2022 – APRIL 2024

A flex program that teaches the skills needed to become an entry-level game
creator. A two-year diploma program, split up into four semesters, allowing
students to explore game design theory, creation, application, and production as
they design and develop video games, augmented reality, and virtual reality
scenarios for consumer, consumption, and commercial training purposes.
*Graduated with a 3.88 GPA, thriving in courses such as Narrative Design,
Production, Sound and Music, Theory, Phycology, Mechanics and Prototyping.
Also was Perficient in introduction to Programing, Object Oriented Programing,
Level Design, Asset Creation and Implementation, as well as Animation.*
